Welcome to SkillMill by Interplay Learning

What is SkillMill?

SkillMill is a skilled trades training platform offering online training courses on HVAC, solar, plumbing, electrical and more. Develop job skills at your own pace through expert-led video lessons and digital training simulations. To learn more:

Getting Started with SkillMill

1. Complete the SkillMill [registration form online](#).
2. Look for an email asking you to **Verify Your Email** and finish setting-up your account.
3. Take the [SkillMill tour](#) to learn how it works.
4. Explore the [catalog](#), [enroll in courses](#) and complete them at your own pace.

Limits

You will have 60-days to access [SkillMill's course catalog](#).

- After 60 days the SkillMill account resets for the next user.

Tech Requirements

- Video courses are playable on all devices.
- Training simulations are only available on tablets, computers, and VR headsets.
- You can access [SkillMill in-browser](#) (Chrome or Firefox recommended) on most devices.
- For the best experience, [download the desktop app](#) to your Windows computer or iPad.

Support

For technical issues within SkillMill, click **Report a Problem** at the bottom of the SkillMill page or email support@interplaylearning.com.

For Library questions, [Ask a Librarian](#) or give us a call at 512-974-7400, option 1.
